The 14<sup>th</sup> Biomedical Engineering International Conference (BMEiCON2022) is intended to provide an international forum where researchers, practitioners, and professionals interested in the advances in, and applications of, biomedical engineering can exchange the latest research, results, and ideas in these areas through presentation and discussion. All accepted papers are expected to be included in IEEE Xplore and indexed by EI.

The BMEiCON2022 will be held in Songkhla and Koh Li Pe Satun, Thailand on November 10–13, 2022. Songkhla is a city on southern Thailand's near the border with Malaysia. There are several attractive places such as Samila beach, Chalatat beach and Songkhla lake. Koh Lipe is a small L-shaped island located in the southern Thailand's Satun Province. Lipe is very famous for snorkelling and scuba diving.

The organizing committee is pleased to invite all researchers, engineers, physicians, scientists, technicians, and technologists to attend and help shaping the future of biomedical engineering. The topics for regular sessions include, but are not limited to, the followings:

- ▶ Biomedical signal processing
- ▶ Biomedical imaging and image processing
- ▶ Bioinstrumentation
- ▶ Bio-robotics and biomechanics
- ▶ Biosensors and biomaterials
- ▶ Cardiovascular and respiratory systems engineering
- ▶ Cellular and tissue engineering
- ▶ Healthcare information systems
- ▶ Human machine/computer interface
- ▶ Medical device design
- ▶ Neural and rehabilitation engineering
- ▶ Technology commercialization, industry, education, and society
- ▶ Telemedicine
- ▶ Therapeutic and diagnostics systems
- ▶ Recent advancements in biomedical engineering

### Submission of Papers

Prospective authors are invited to submit full-length papers including figures, tables, and references via our website at [www.bmeicon.org/bmeicon2022](http://www.bmeicon.org/bmeicon2022). All papers will be peer reviewed and handled electronically. All papers submitted must be previously unpublished and may not be considered for publication elsewhere at any time during the review period. Any accepted paper included in the final program is expected to have at least one author or qualified proxy attend and present the paper at the conference. For additional information and submission guidelines, please visit our website at [www.bmeicon.org/bmeicon2022](http://www.bmeicon.org/bmeicon2022).

### Important Dates

- ▶ Regular paper submission deadline: August 31, 2022
- ▶ Notification of regular paper acceptance: September 30, 2022
- ▶ Camera-ready submission: October 15, 2022
- ▶ Early-bird registration: October 22, 2022
- ▶ Late registration: After October 22, 2022
